Pay and get home

Use an MI card with return credit: Metro 5 MXN; standard Metrobús 6 MXN; airport bus 30 MXN. A new card costs 15 MXN before credit.

Metro normally closes at midnight; this is not the last train at your station. Check service updates and leave time for changes. Do not assume extended race-night service.

Arrange a licensed taxi or hotel car fallback, with a legal pickup point outside restrictions. There is no general event parking. Hospitality does not automatically include vehicle access.
